Sacred circles are small groups of women who meet monthly to support one another in their faith journey. We have 5 groups that meet monthly at a variety of times. If you are interested in joining a Sacred Circle the registration forms are available in the parish hall. Fill the registration form out and place it in the Women's Ministry mailbox in the church office. More information as well as meeting times can be found on the registration form and at the ministry fair display in the parish hall. For any further questions you may call the church office or contact Dianne Clay at 4dianne.clay@gmail.com.

Save the date: Walk to End Alzheimer's. Two activities planned: September 15th 3:00 P.M. a meeting at Prince of Peace Lutheran Church on Brand Road. An opportunity to meet others whose lives are being effected by Dementia, hear a brief presentation from the Alzheimer's Association, plan to walk with others on September 22nd, and create a sundae for your enjoyment.

As one more way toward "Becoming Beloved Community," the Monday morning EFM extension group has invited Miriam Utter, a member of St. John's, Worthington, to present "Return to Uncle Tom's Cabin," she will also facilitate the discussion of this groundbreaking book by Harriet Beecher Stowe. All are welcome to join us on **Monday, September 9 at 9:30am** in the Efm room.

If you like to eat and you like people, consider Foyer! This is a ministry in which we form small groups that get together a few times through the year for potluck dinners or outings. It's designed to help you get to know folks at St. Patrick's whom you don't already know. We'll randomly assign groups of 6 to 8 people, who then get in touch and decide how often they'd like to meet and what they'd like to do. Sign-up sheets for this year will be in the Parish Hall through **Sept 29th**, and we hope you'll join. If you have questions, contact Randy & Mary Edwards: mcedward@dispatch.com

Back to School –
 Beatty Park and Trevitt Elementary need: **single serve Mac N Cheese, single serve fruit, granola/breakfast bars.**
 Dublin Food Pantry needs: **Salad/Cooking Oil**
 Please put some in your shopping basket and bring on Sunday. We'll take care of the rest. Thank you for caring for those who have less.

Fall Garage Sale: September 28, 2019

Our Garage Sale is coming soon! Please see the upcoming Breastplate for all of the details about this Fall's sale. And watch here for relevant weekly announcements as we approach the sale date. Volunteer sign-up sheets are currently in the Parish Hall. Please take a moment to check your schedule and sign-up to help!

Donation drop-off starts Sept 22nd, but there's one important exception: If you wish to donate a laptop or computer to the sale, please contact Charlie Horton (614-406-3701) by Aug 31st.

Large Item Pick-up will be on Sept 22nd. If you have large items you can't transport to the church, please fill out a Large Item Pick-up Sheet (available in the Parish Hall) and turn in by Sept 15th. Note that we need for your items to be easily accessible for the pick-up crews, on a main floor or in a garage, for example.

As you collect your donations, please be sure to bag any multi-part items you are donating so the pieces don't get separated. And please consider giving your donations a quick cleaning to save us precious time the week of the sale.

Speaking of bags, we again will need lots of grocery-style large paper bags for the sale. Please save any you have and drop them by the church when you bring in your donations.

For additional details about the sale, see our article in this month's Breastplate. For specific questions, send Mark Hanes an email at

Garage Sale Donation Information

Donations can be dropped off from Sept 22-Sep 25th. BUT, if you have a computer or laptop to donate, please contact Charlie Horton as soon as you can, as we need all computers and laptops in Charlie's hands by August 31st. Please call Charlie at (614) 406-3701 to arrange. Also, please look for and include any computer cables, keyboards, mice, CDs, etc., that came with the computer if possible. Computer monitors can also be donated, but not the old-style tube or CRT-type monitors.
