

Saturday, December 2nd
9:00 -11:00 AM
Suggested Donation: \$10
Brunch Tea Provided

The honor of your presence is requested at the Intergenerational AdvenTea. Come enjoy a festive tea party and learn about Advent traditions. It is our hope that you leave this time of fun, fellowship, craft and preparation with knowledge and tools to celebrate the upcoming festive season of preparation. This is the perfect event for extended family and friends to enjoy together and is suitable for all ages. Stations will be explained during the Opening Tea Time Brunch then participants will have voice and choice as you choose which stations to explore and prepare to implement in your home. All supplies will be provided. Plan to bring your kids, grandkids, friends and neighbors with you for a chance to reconnect prior to the hustle and bustle of the holiday season. [For planning and supply purposes please register by Sunday, November 12th.](#)

Our group project station this year will be a greenery grave blanket for our columbarium.
