Theology in a Nutshell: Big Ideas in Bite-Sized Bits Our next *St. Pat's Faith Talk* podcast series offers up bite-sized introductions to the basics of systematic theology. The word theology means words about God or God-talk. What we say about God, in both word and deed, is a testimony about the nature of and our relationship with God. Using the Nicene Creed and the Outline of the Faith from the Book of Common Prayer, Fr. Jason offers a brief introduction into thinking and speaking of God in a systematic way. *St. Pat's Faith Talk* is available where ever you get your podcasts. The Sunday Sermon is published on Mondays and the Teaching Episodes come out on Thursdays.

Youth Group: field trip to the Buddhist Temple this Sunday. Check your YG e-mail for details.

Adult Forum: Join us today for an exploration of Celtic spirituality, an ancient yet newly relevant approach to the Christian faith. We will look together at the treasures of ancient Scottish and Irish wisdom that views the soul, the feminine, the imagination, and the earth as sacred. All living things are seen as being in communion and everything as connected to a loving God. Our series will end with pictures and stories from congregants who will journey early this Spring to the holy western Scottish Isle of Iona, a cradle of Celtic spirituality. We will meet on Zoom from noon to 1 pm, April 14-May 5. Let's grow deeper and together in our faith and practices! Click [HERE](#) to join the Zoom.
