**Landscape and Gardens:** Time for a landscape tune-up! Please join other parishioners June 8, 9 AM for some St Patrick's sprucing up. Bring any hand towels you like, (tasks are planting, weeding, trimming, raking) work gloves and water. Lunch provided at 11:45!

**The 4pm Connections service will be followed by cookout throughout the summer. Come as you can and feel free to bring a dessert or side-dish to share. Let's fellowship together!**

### Education

**The Spirituality of Aging Group** will continue to meet on the second Thursday of each month. Dates are: June 13th, July 11th and August 8th from 1:00-2:30. The group has chosen conversation rather than reading a book. JOIN us if you can.

**Theology in a Nutshell: Big Ideas in Bite-Sized Bits** Our next *St. Pat's Faith Talk* podcast series offers up bite-sized introductions to the basics of systematic theology. The word theology means words about God or God-talk. What we say about God, in both word and deed, is a testimony about the nature of and our relationship with God. Using the Nicene Creed and the Outline of the Faith from the Book of Common Prayer, Fr. Jason offers a brief introduction into thinking and speaking of God in a systematic way. *St. Pat's Faith Talk* is available where ever you get your podcasts. The Sunday Sermon is published on Mondays and the Teaching Episodes come out on Thursdays.

**Alert:** There have been several incidences of computer scams recently that were brought to Bill Eddy's computer repair business. He asked us to remind everyone that the church staff will only email you through Realm or from email addresses that end with [@pats-dublin.org](mailto:@pats-dublin.org). Do not respond to requests sent to you from anyone posing as us with emails other than that and also if you click on a link and get a message from "Microsoft" asking you to call them, do not call them. These are very common scams that seem to have escalated recently.
